Lindfield Super Product Update - Changes to Insurance

As a member of Lindfield Super you can apply for insurance cover through your super. Insurance through super can be tax effective and potentially cheaper than insurance funded through after-tax salary or savings. However, premiums deducted for unnecessary, unwanted, or unsuitable insurance cover can inappropriately reduce your balance and the savings available for you upon retirement.

To prevent this from happening, changes were made to superannuation law, *known as Putting Members' Interests First*, to encourage members to review their insurance needs before taking out insurance through super.

These new laws will take effect from 1 April 2020.

What does this mean for you?

If you're thinking about taking out insurance and are either under 25 years of age, or your account balance is below \$6,000, you should read carefully the [Lindfield Insurance Guide Booklet](#) and consider whether the insurance is right for you.

You should also consider any other insurance cover you might have, including with other super accounts. For information on how to keep track of your super, you can visit the ATO website at <https://www.ato.gov.au/Individuals/Super/Growing-your-super/Keeping-track-of-your-super/>.

To ensure the insurance cover will meet your needs, you may wish to speak to a licensed financial adviser, and/or other professional as appropriate.

You should take the time to review your insurance cover on a regular basis or if your circumstances change and can vary or cancel your cover at any time.
