Significant Event Notice

We are making an important change to your superannuation, to ensure your best financial interests continue to be met. Effective 6 May 2022, we are closing Lindfield Super (the Fund).

There has been a significant increase in the amount of regulatory change introduced by the Federal Government and regulatory bodies over the last few years. This has increased the complexity and cost of administering superannuation funds resulting in potentially poor outcomes to members where there is insufficient scale.

Considering these changes and the ever-evolving regulatory landscape, Diversa Trustees Limited (Trustee) has decided that it would be in the best financial interests of members to close the Lindfield Super products within the Grosvenor Pirie Master Superannuation Fund – Series 2.

To decide happens to your Lindfield Super account you **must act** and provide your response to the Fund by **6 May 2022**. You have the choice to:

1. Elect to transfer by rollover into Slate Super, a product of Grosvenor Pirie Master Superannuation Fund – Series 2 allowing you to maintain your insurance; or
2. Cease your insurance, by electing to withdraw your benefit in cash (if you meet a condition of release) or transfer by rollover into another superannuation fund of your choice; or
3. Not respond; if this is the case, your insurance will cease in your Lindfield Super account and your benefit will be transferred to the Australian Taxation Office (ATO) during the week commencing 16 May 2022. See below for more information about your options.

In the following guide we have provided additional details to assist you to understand your options. We are here to help, so if you have any additional questions, please contact us on 02 8355 5149.

Kind regards

Guide to the Closure of Lindfield Super

What does the closure of Lindfield Super mean?

It will have the following impact:

- Lindfield Super will no longer be available and will cease to accept contributions or rollovers for existing members from 6 May 2022;
- Insurance will cease to be offered in Lindfield Super, and
- In the week beginning 16 May 2022 all member accounts will be terminated and transferred to a new fund of your choice or to the ATO. We will value your account using the last unit price calculated for the investment option your account is invested in. This will be your transfer amount. You will receive an Exit Statement issued by the Fund within 30 days of transfer.

Do I need to take action?

Yes, you need to take action by 6 May 2022 if you wish to avoid having your insurance cancelled (if applicable) or you wish to transfer your account balance to another super fund. If you don't take any action by this date, your superannuation account balance will be transferred to the ATO.

What will happen to your insurance?

As you currently hold insurance cover under your Lindfield Super account (Death, Total and Permanent Disability and/or Income Protection) and you elect to transfer by rollover into Slate Super (**option 1** above), you will continue to retain your Insurance Cover after your account has rolled over to Slate Super. However, as a Slate Super member your insurance premiums will increase by 20% (plus GST) relating to insurance services performed by the Promoter of the Fund, Simple Financial Choices Pty Ltd. Please refer to the [Slate Super Insurance Guide](#) for more information about the terms and conditions of your insurance cover and insurance premium rates.

The terms and conditions shown in the Slate Super Insurance policy are the same terms and conditions you currently have in Lindfield Super. Any exclusions or premium loadings applied to insurance cover in your Lindfield Super account will continue to apply to insurance cover under your new Slate Super account.

If you choose **option 2** above and you currently hold insurance through your Lindfield Super account, your insurance cover will be cancelled. We therefore suggest that you consider obtaining professional advice from a licensed financial adviser about whether this option is appropriate for your personal circumstances.

If you take no action by 6 May 2022 (i.e. **option 3 above**) and you currently hold insurance through your Lindfield Super account, your insurance will be cancelled once we transfer your superannuation benefit to the ATO. We therefore suggest that you consider obtaining professional advice from a licensed financial adviser about whether this option is appropriate for your personal circumstances.

What will happen to your death benefit nomination?

Having a death benefit nomination, gives the trustee some clarity as to who should receive your superannuation benefit if you were to pass away (depending on your nomination and who you select).

If you choose **option 1** and transfer by rollover to Slate Super, you will retain your existing death benefit nomination/s. Details of your current beneficiaries in your Lindfield Super account can be obtained by contacting us on 02 8355 5149.

You can update your death benefit nominations any time by completing a Death Benefit Nomination form available on the Fund's website under Forms and Documents www.slate.co/forms-and-documents/.

If you choose **option 2** above, and you have made a death benefit nomination in relation to your Lindfield Super account, this nomination will cease. You may wish to contact your new superannuation fund to make a new death benefit nomination.

If you take no action (**option 3** above), your superannuation benefit will be transferred to the ATO, your existing death benefit nomination will cease. You will not be able to make a new death benefit nomination.

What will happen to your current Employer or Personal Contributions?

If you choose **option 1** and transfer by rollover to Slate Super, and you are receiving employer contributions to your superannuation account, you will need to inform your employer of the Slate Super Fund USI number and your member account details. You can provide these details to your employer by completing the Slate Super Choice of Fund and Contribution form. The Choice of Fund and Contribution form is available at www.slate.co/wp-content/uploads/2020/06/19_Selecting-Slate-Super-Form.pdf.
